**Mr. Anirban Ghosh**

" To be human is to be creative "

Creativity is often mistaken for making something new but in fact the root meaning of the word suggests ' to grow '. Quite often as educators we ask the question to ourselves " whether we are providing our children with the opportunity to grow and learn as an individual?" EDC promotes this very cause which makes me feel delighted to be associated with the cell. I pray that the cell thrives in its undertakings and the students make best out of it.

Good wishes to a vibrant association of the college.

**Ms. Priyanka Shaw**
