

# Minutes of the Faculty Meeting called by IQAC

Held via Google Meet (G-Suite)

September 19, 2020

The meeting, chaired by Fr (Prof) George Thadathil, Chairman, IQAC and Principal, Salesian College, Sonada & Siliguri and moderated by Mr Peter Lepcha, Secretary, IQAC, Salesian College, Siliguri, started at 01:15 pm. Mr Peter Lepcha declared the two-point agenda for the meeting:

- Final screening and submission of AQAR for session 2018-2019,
- Flagging off the data collection process for AQAR for session 2019-2020.

He presented a few slides on the process of 2018-2019 AQAR preparation. Main points of his presentation were:

- Words of appreciation for the concerned faculty and office bearers,
- Basic roadmap of the entire process,
- Objectives,
- Learning experiences (very first incidence of web-portal based AQAR submission),
- Special Highlights (Action Taken Report by IQAC).

Fr Principal acknowledged the effort put up by the faculty members and thanked Mr Subhajit Bose, Core Team Member, AQAR updation process, for his herculean effort to put up the collected data into the NAAC portal. He also warned about collecting the data more cohesively for the upcoming session. He reminded that we are targetting 2022-2023 as our assessment year for the fourth cycle. Then he asked Mr Subhajit Bose for the vetting of the 2018-2019 AQAR data for the last time.

#### 1. Final screening and submission of AQAR for the session 2018-2019

Mr. Subhajit Bose announced that he has prepared data templates for the quantitative questions of the AQAR 2019-2020 and will be keeping them as editable files in google drive. He requested the criteria members to collect coherent data for the upcoming session. For the ongoing session, he informed that the recorded responses to the respective questions will be forwarded to the criterion-heads. He then went on to vet the data with the respective criterion-heads.

Some of the comments made by Fr Principal on the prepared AQAR are the followings:

• Regarding the AQAR for the upcoming session, every data field should overflow to the additional spreadsheets.

- The qualitative data regarding the AQAR for the upcoming session should be modified, edited, rewritten and checked by the other criterion-heads.
- Some data (like "Awards for innovation", Qn. 3.2.2; "Incubation centres", Qn. 3.2.3) can be qualified and quantified keeping in mind the talents and achievements of the students and faculty in the respective departments by way of acknowledgement.
- Every e-content created by a teaching faculty should be posted on the LMS.
- A few questions in the Criterion 5 requires efforts from every department to collate data.
- Data related to the library, college office or the finance office should have the final vetting by the respective offices only. The entire process should be coordinated by the respective criterion.
- Any event including webinars should have proofs on number of participants.
- More events engaging the local communities should be planned in future.

A few concerns on some specific questions were raised by Mr Subhajit Paul, Asst. Secretary, IQAC, Salesian College, Siliguri, Mr Dhirodatta Subba, Secretary, Criterion 4 and Mr Patrick Johnson, Team leader, Criterion 4. Those were duly noted by Mr Subhajit Bose.

Mr Subhajit Paul reminded and requested everybody to keep the proofs ready for the collected data. In response to that, Fr Principal created a committee comprising Fr Aju Kurian, Coordinator, IQAC, Salesian College, Siliguri, Mr Subhajit Paul and Ms Shraddha Pradhan, Member, IQAC, Salesian College, Siliguri to ensure the documentation of the proofs of AQAR 2018-2019.

#### 2. Flagging off the data collection process for AQAR of the session 2019-2020

Fr Principal started off the process for the preparation of the AQAR 2019-2020. He appointed Fr Dr Tomy Augustine SDB, Rector, Salesian College, Sonada, as the new IQAC Coordinator for the Salesian College, Sonada for the session 2020-2021. Mr Peter Lepcha presented the list of the faculty members from the Siliguri campus divided into different criteria. Mr Terence Mukhia, Secretary, IQAC, Salesian College, Sonada, did the same for the faculty members from the Sonada campus. Both the lists are appended at the end of this minutes. A list of activities held in the 2019-2020 session was prepared by Fr Aju Kurian with tentative segregation of the events into different questions. This list goes as the third appendix to this document. Fr Principal asked Mr Subhrajit Saha, Asst Prof, Statistics, to provide help with all statistics related questions. Mr Peter Lepcha proposed the following set of deadlines for the AQAR 2019-2020 process:

- Criterion wise data collection/compilation by September 30, 2020;
- Criterion wise vetting of the data by October 09, 2020;
- Feeding data to portal by Mr Subhajit Bose & Mr Subhajit Paul by October 10, 2020;
- Vetting by IQAC team by November 01, 2020;
- Final upload by November 14, 2020.

Fr Principal suggested that every criterion team should be given format-specified data templates. The AQAR core team may want to sit together to prepare that. In the light of that presumed meeting, the deadlines could be extended by a week. Mr Peter Lepcha responded to act accordingly.

The meeting ended at 02:45 pm.

Minuted by,

Subhajit Paul, Asst. Secretary, IQAC, Salesian College, Siliguri.

Dated, September 20, 2020.

 $\mathrm{Sd/}$ -

Fr George Thadathil, Chairman, IQAC and Principal, Salesian College, Sonada & Siliguri.
