Pre Christmas Gathering

Siliguri, December 2020: After nine long months the hallways of Salesian College, Siliguri echoed with laughter and joy as the students and faculty members came together to commemorate the Christmas celebration.

The students gathered in their respective classrooms along with their teachers for the event following proper COVID-19 protocols and maintaining social distance.

Although many faculty members and a few students would be present on other days as well and proper sanitisation would be maintained, it was particularly taken care of on that day. Around 50 students from each department were present. Fr. George Thadathil (Principal SCSC) came to visit each classroom and shared few words of wisdom. "Greatness is not achieved overnight.... it requires patience, struggle and humility." he said

The event was supervised by the H.O.D(s) of each department. The students and faculty members also took the opportunity to welcome the new students in an interactive session. At the end of the event the Christmas cake was cut and distributed. The event ended at 12 o'clock after which the students submitted their examination answer sheets and headed home.

Sangam 2021

Siliguri, Jan 2021: Salesian College Siliguri hosted “Sangam” 2021 on 30th January.

Every year the college celebrates ethnicity in a grandiose gathering of its diverse alpacas. This year too, fortunately, was not an exception for ‘Sangam’ the ethnic day. It was one of the first on campus events of 2021 for Salesian and although it was different in many aspects, the enthusiasm and joy remained alive as always. “Sangam” is a Sanskrit word which translates to “gathering” or “confluence”. The event took place with proper Covid guidelines within the campus. It was attended by a limited amount of students, the faculty and the Fathers. “It was both challenging and refreshing to be organising this event amidst the pandemic. Although it was unfortunate that we had to restrict the audience, I hope the students were able to relive their college days before the prevalence of this pandemic.” Said Mr. Sangam Ghatani (Faculty, Political Science).

The programme commenced from 8:30 a.m with an inaugural ceremony followed by an opening speech by Fr. (Prof.) George Thadathil (Principal SCS). The event as a whole comprised of smaller competitions – cooking, rangoli, face painting, folk song, folk dance and a fashion show (ethnic wear).

The students participated as representatives of their respective clubs and Bosco emerged as the overall winning club. The students who were not able to attend physically were also included in this celebration through a digital photo competition where the individual with the best picture wearing their ethnic apparel would concur the winner's title.

The event concluded with the distribution of prizes to the respective participants and a closing ceremony led by Mr. Peter Lepcha and Mr. Anirban Ghosh.

“There was great amount of enthusiasm and energy among all participants despite limited audience because of the Covid restrictions & protocols” said Mr. Dipjyoti Das (Faculty MCJH)

A Report on: World Environment Day 2021

World Environment Day was celebrated on 5th June by the NSS Volunteers under the guidance of NSS Nodal Programme Officer Mr. Samip Sinchuri. The main motive of the celebration was to spread awareness about the need to protect the environment and the ways to do it.

With many of us staying indoors, World Environment Day is a great day to start having an environment-related with our kindred and teach them about the preservation of natural resources. All the NSS Volunteers send the pictures and videos of them doing the fun activities in their respective gardens by planting saplings. Moreover, the event was really enjoyable.

At 3:30 pm NSS Volunteer Simon Dorjee Dukpa conducted the virtual meeting via Google Meet with a brief welcoming speech and introduced about this event where he welcomed all NSS volunteers along with Nodal officer. It was sort of poem recitation about the event. The event was short and sweet. It was followed by the poem recitation by two volunteer's i.e Shristi Gazmer and Eric Gomes which was really amusing and fruitful. After that we had a short video clip made by two NSS volunteers Yachana Gurung and Shristi Gazmer about tree plantation and its benefit as well as general awareness.

The event was concluded by final speech by our NSS Nodal Programme officer Mr. Samip Sinchuri through his encouraging words towards volunteers to do more services to the community.

Eventually, the meeting was ended by the NSS song.
